### **Issue: Non-support for Articles of Impeachment:**

While we all know that the articles of impeachment served by Al Green were not going to go anywhere, we believe that standing behind them and voting not to table them (with a Nay) vote was the right decision. Sadly, nearly all of our CT representatives did not. There were 79 Democrats that voted Nay, and only one was from CT. Uniting with fellow democrats should have been the name of the game. But alas, that did not happen. Courtney, DeLauro, Himes and Larson all voted Aye. Only Jahana Hayes was on the right side of this vote.

Call or write (or both) your representative and let them know how disappointed (or happy, if you are in Hays's district) you are with their vote.

And for those of you outside of CT, you can find the full listing of all the House members who decided to side with the Republicans rather than their own party [here](#)!

Finally, there is a whole organization and website devoted to the impeachment of Trump – check it out [here](#).

### **Issue #2: Unmask ICE - action for all trifecta **BLUE** states:**

Across the country, individuals have been abducted by masked, unidentified officers, taken without notice and detained without immediate access to lawyers or families. In many cases, they have not been accused of any crime. It is a deliberate and escalating federal strategy by the current regime to supercharge its anti-immigration strategy.

Blue states have been particularly targeted and here's what we can do to help fight back. If you are in a trifecta blue state (**CA, CO, CT, DE, HI, IL, ME, MD MA, NJ, NM, NY, OR, RI, WA**) call and/or email your state representative, governor and city council (if the latter applies). Not sure who your state representative is? Click [here](#).

### **Call or email your governor**

Hi, my [name] is and I'm a resident of [city], [state].

I'm calling because I'm deeply alarmed by the rise of masked unidentifiable law enforcement officers, often working with ICE and DHS, operating in our communities. These tactics are terrifying and authoritarian. People are being disappeared, students are being targeted, and immigrants are being intimidated and detained without due process.

Governor [name] has the power to respond, and I am urging [him/her] to,

1. Issue an executive order requiring all law enforcement in our state to display visible ID and refuse cooperation with secretive ICE raids.
2. Speak out publicly to condemn these politically motivated tactics and stand with the immigrant and international communities under threat.

This is about protecting civil liberties and stopping authoritarian overreach in our state. I hope the Governor will act quickly and decisively. Thank you.

### **Call or email your [state representative](#)**

Hi, my [name] is, and I'm a constituent from [City], [State].

I'm calling to urge [Representative/Senator Last Name] to take action against the rising use of masked, anonymous law enforcement and abusive ICE tactics in our state. We're seeing students, visa and green card holders, and undocumented immigrants disappear without explanation — and even public officials, like NYC Comptroller Brad Lander, being arrested.

This is all part of Trump's escalating immigration agenda, and we need bold legislative leadership to push back.

I'm asking Rep/Senator [Last Name] to:

1. Introduce or support legislation that bans face coverings and requires visible ID for all law enforcement.
2. Increase oversight and transparency around federal immigration activity in our state.
3. Strengthen sanctuary protections and stop local agencies from sharing data or cooperating in politically motivated ICE raids.

Thank you.
