Senator Richard Blumenthal **202-224-2823; 860-258-6940 (CT Office)**

Call BLUE Senators:

Issue #1: Congress' power over tariffs:

Hi, I'm a constituent calling from [zip]. My name is _____.

I understand that Senators Grassley and Cantwell have introduced a bill that would claw back some of Congress's power over tariffs. It's called the Trade Review Act of 2025. I expect the Senator to support it. Trump cannot be allowed to continue his catastrophic attack on our economy. Congress has the power to stop it. They'd better do so. Thanks.

Call **BLUE House of Representatives:**

CT Representatives (call whomever represents your district):

Jim Himes – 203-333-6600

Rosa DeLauro – 202- 225-3661 or 203-562-3718

Johana Hayes – 202-225-4476 or 860-223-8412

Joe Courtney – 202-225-2076 or 860-886-0139

John Larson – 202-225-2265 or 860-278-8888

Issue #1: Congress' power over tariffs:

Hi, I'm a constituent calling from [zip]. My name is _____.

I understand that a bipartisan group of Senators has introduced a bill that would claw back some of Congress's power over tariffs. It's called the Trade Review Act of 2025. I want the Congressman to introduce a companion bill in the House. I also want him/her to vote yes on the Senate-passed resolution to revoke Trump's Canadian tariffs. Trump cannot be allowed to continue his catastrophic attack on our economy. Congress has the power to stop it. They'd better do so.

Issue #2: Restrictions on the courts:

I'm a constituent calling from [zip]. My name is _____.

I'm calling to say that I'm outraged by Congressional Republicans' attacks on the courts. I want the Congressmember to vote no on H.R.1702 the JUDGES Act, which would allow President Trump to appoint 22 new lifetime federal judges, enabling him to stack courts with loyalists. I want the Congressmember to vote no on H.R.1789 the PEPPER Act, which would dramatically expand executive power by allowing officials to move cases against them from state to federal courts. And I want the Congressmember to vote no on H.R.1526 the NORRA Act, which would severely restrict federal judges' ability to issue nationwide injunctions against unconstitutional executive actions. Protect our courts! Thanks.

Issue #1: Republicans' new budget resolution

Hi, I'm a constituent calling from [zip]. My name is _____.

I'm calling because I know Senate Republicans are about to introduce their new budget resolution, and that they are going to great lengths to hide the fact that it will cut Medicaid and SNAP and blow up the deficit to give tax cuts to rich people. I want the Senator to know that I see exactly what they're doing and I am outraged. Republicans want to take food away from children and deny health care to those who need it most so that billionaires can get even richer—it's disgusting. I expect the Senator to stand up for their constituents, not Trump's billionaire friends, and vote no on this budget. Thanks
